

WE HEREBY PRESENT THIS RECOGNITION TO

Shames Yazzie

FOR THE SUCCESSFUL COMPLETION OF

Cybersecurity Workforce Program Badge Healthcare

Individuals who have earned the Cybersecurity Workforce Program have demonstrated the ability to understand and apply foundational knowledge about how networks function and systems analysis. Earners also demonstrated skills in assessing methods for identifying and assessing cybersecurity risk. All earners of this badge have shown the ability to apply cybersecurity across virtually any industry. This badge signifies 360 clock hours of PDU/CE credit.
